

## **TOWN CRIER PUBLICATION DELAYED**

At this time, the Borough is delaying the publication of the next municipal newsletter. Normally, the next scheduled newsletter would be published in April. Due to the uncertainty of meeting and event dates, there will be no April Town Crier.

At this time, our staff is available in the municipal building and may be reached by phone. Administrative offices may be reached by calling (814) 695-7543, the Water and Sewer Billing Office may be reached at (814) 696-0623, and the non-emergency number of our Police Department is (814) 695-3711.

Thank you for your understanding.
